Declaration

Please accept this form as my consent to provide access to my energy data to the third party identified above. This information should include, without limitation, electricity usage and load data, meter types and models, kWh, kVA and other interval and accumulated data for meters identified above.

I understand, data access will include up to two years of historical energy data. This length of time is dependent on how long I have been associated with the metering points provided and Energy Australia has been my energy retailer.
