I authorise EnergyAustralia to arrange for the Distributor and/or metering service provider to completely remove the electricity supply at the address provided in this application form. I understand that the removal is subject to weather conditions and clear and safe access to the site, including the switchboard. I agree to accept any charges associated with the meter removal/abolishment and understand these charges will appear on my electricity bill. I understand that if the technician determines additional works are needed they will not commence the job and EnergyAustralia will contact me to discuss any additional charges and/or work required.
