**All applicants please note: If these premises are leased, please include a letter of permission from the owner/landlord with your application.**

I authorise EnergyAustralia to arrange for the Distributor to provide a quotation (if applicable) to install natural gas at the supply address, provided in this application, on the date the request is accepted, or as soon as can be arranged. I understand that the installation work is subject to an on-site check by the Distributor, full access to the site (must be clean and clear of any debris), clear address numbering, and weather conditions. Work is also subject to an available gas main at the property boundary. Important information: To lay pipes in any common access area for battle-axe, dual occupancy, shared driveways, etc. the account holder must obtain written approval from all affected parties. I understand that the sale of natural gas is not available in all areas and is subject to availability. I agree to accept the meter installation charge, which will appear on my first gas bill and any other charges which may arise as a result of my meter installation request. I understand that any charges that may arise as a result of my request are passed to EnergyAustralia from the Distributor and will vary depending on the works required and on the distribution zone.

I authorise EnergyAustralia to contact me so that a gas account can be set up in my name. My preferred time of contact is  AM  PM
